Here's my final website!

I want to take this opportunity to remind you about my Week1 and Week2 grades. I emailed you about them a few weeks ago to clear up that I actually had done the dash assignments, but there wasn't a change reflected in the grade book.

Again, my website is located on the internet at www.maxwellbrown.com.

Below you'll find the results of my card sort, & my wireframe for my final site.

Enjoy!

Card Sort:

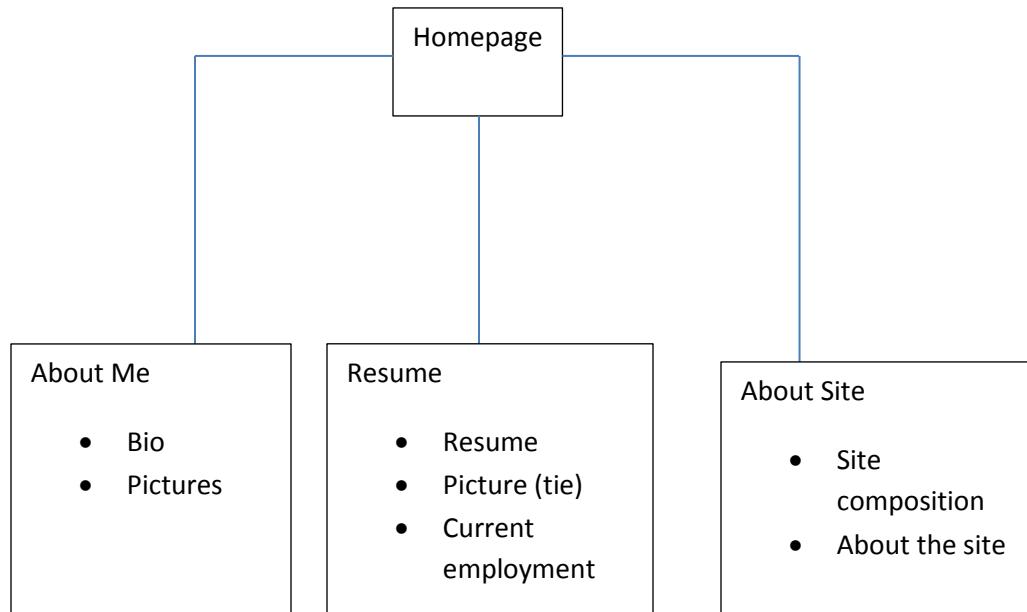

The items to include in my website were:

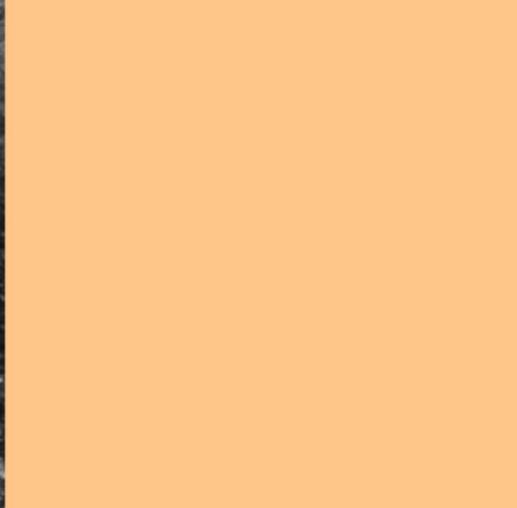

- Resume
- Current Employment
- Biography
- Current status/whereabouts
- About the website
- Picture of me rowing

- Picture of the website composition

The results of the card sort between me, my girlfriend, and my roommate were very similar, and conclusive. They were most commonly sorted as:
